Greeting WakeMed Volunteers!

We hope this newsletter finds you well today! We would like to take this opportunity to welcome the most recent addition to our team, Chrisy Joyce, as our Raleigh Volunteer Services Specialist. We are so excited to have her join us and look forward to working with her - welcome Chrisy!

Please note that it is that time of year again for us to seek out your input and feedback through the volunteer satisfaction survey. This will be distributed in the month of July via Survey Monkey and we hope you will take a few minutes to share your thoughts with us as we work to continually improve. This information is used each year to develop and enhance the processes we use to provide service. We are so grateful for the dedicated volunteer service that you provide and highly encourage your feedback on this survey as key contributors to our mission.

I have recently completed the WakeWay-2-Excellence for leaders training, which is an intensive series of interactive classes for WakeMed management staff in further understanding how to serve you better in our efforts to improve. Our Volunteer Service Manager, Jackie Kennedy, is currently completing this training. We look forward to using the valuable information and tools from this to ensure the tenets and behaviors from our pyramid are fully implemented within Volunteer Services.

We hope you are able to stay well and enjoy this beautiful season - have a wonderful Summer!

Sincerely,
Chris Perry, MBA,

The President's Report – Raleigh Campus

Greetings Raleigh Volunteers!

Spring is over and summer is now upon us - how quickly time flies! You are to be commended for your commitment to volunteering even during the vacation season! I trust you are, or will be, enjoying some vacation time to relax, enjoying family and friends. Now that summer is here, we love seeing the many Juniors that have joined the ranks - you are greatly appreciated! Also those of you who are not visible, because you work behind the scenes at home - knitting, sewing, quilting and crocheting for both adults and children, bringing them comfort. We are grateful for each volunteer, no matter what you do or how many hours you spend giving to WakeMed - you

are important to us!

I was privileged to attend, and proudly represent, WakeMed at a very special gathering in April. This was the annual meeting for the Wake County Project Linus chapter, where many individuals who have worked behind the scenes all year long come together. Project Linus is a national organization, started in 1995 and named after the beloved Peanuts© comic strip blanket toting character. Its mission is to provide love, a sense of security, warmth and comfort to children who are seriously ill, traumatized, or otherwise in need, with handmade blankets. Another part of the mission is to provide a rewarding and fun service opportunity for interested individuals and groups in local communities, for the benefit of children. Nearly 400 chapters exist nationally, with more than

4,000,000 blankets donated. The Wake County chapter was started in 1996, and since then, over 37,800 blankets have been donated to children in need. The blankets are quilted, made with fleece, crocheted or knitted.

It was amazing to witness 75 - 100 volunteers gathered together working on blankets that would be donated throughout Wake County. The largest percentage goes to the various WakeMed facilities! I loved the fact that there were not only women, but also boys and girls, as well as men, sitting on the floor or at tables with their families and friends, tying knots in fleece blankets and helping in other ways. There were several people, including a young girl who gave touching testimonies as to how Project Linus helped to give them or a loved one comfort during difficult hospital stays. This is just one example of joyfully volunteering together to make a difference in sick children's lives! (Photo credits: XFINIGEN Media Production Group)

Thank you all for being a blessing wherever you serve!

Respectfully yours,
Rosemary Driver
President, Raleigh Volunteer Board

The President's Report – Cary Hospital

Welcome to Summer!

Thank you to our outstanding Volunteer Staff for hosting the Volunteer Appreciation Luncheon April 19th. Once Again Crabtree Marriott did an outstanding job. This is a great opportunity to socialize with fellow Volunteers and learn about WakeMed. This year's theme "***I am WakeMed***" emphasized what an important part Volunteers play on the WakeMed Team.

Time is our most important gift and you spend part of this precious gift helping our patients, their family and the staff at WakeMed.

The Volunteer Boards at each campus is made up of individuals who donate their time to the various fund raisers and service projects at each campus. Funds raised are then spent on projects such as for Huggables, the Rainbow Fund and most recently furnishings for our Women's Pavilion Lobby and the Emergency Department Respite Room (pictures below). We meet monthly, on the 4th Wednesday from 10:00 am - 12:00 pm. Our meetings are open to all. If you would be interested in attending, please let me know. We are currently in the process of nominating board members for the 2018-2019 team.

Thank you for all you do and keep up the good work.

Have a safe and happy summer.

Respectfully Submitted,
Susan Alvey,
President, Cary Volunteer Board

Volunteer Services Update

Welcome to Raleigh

We would like to welcome Chrissy Joyce, Volunteer Services Specialist to our Raleigh Campus. Please stop by the Volunteer Services office to meet Chrissy.

Hi Everyone! My name is Chrissy Joyce and I am the new Volunteer Specialist in the Volunteer Services Department, on the Raleigh Campus. I am so excited to be here and to be a part of the volunteer services at WakeMed. I know the value that volunteers bring, not only to the patient and family experience, but also to the staff and I look forward to being a part of that here!

I am coming to WakeMed from Wilmington, NC, where I was employed at New Hanover Regional Medical Center for 8 years, as a Volunteer Coordinator, doing much the same thing there, as I will be doing here. Prior to that, I worked for three years, with volunteers in a community based mentoring program for at risk youth.

I am constantly amazed at the impact that I see volunteers having on patients and their families. Volunteers are truly, the heart and soul of any organization and within a hospital where people are often hurting so, their impact becomes even more important . . . and I am sure that is the case here as well. I have heard great things about this hospital and the volunteers, and truly feel blessed to be able to work here. I hope to be able to meet as many of you as possible over the next few months. Please introduce yourself to me if you see me and share with me what you do here. I know I have lots to learn . . . and am so excited for what the next few months hold for me as I do so !

National Volunteer Week And Annual Volunteer Appreciation Luncheon

We hope you had the opportunity to join us in celebrating National Volunteer Week April 15 – 21 and at our Annual Volunteer Appreciation Luncheon on April 19 at the Crabtree Marriott. Gifts of appreciations were provided to all our volunteers during this special week. This year the volunteers celebrated more than 144,000 hours of service in FY17 to the WakeMed mission.

The Volunteer Services Departments and WakeMed staff appreciates each and every one of you. We celebrated your commitment to others that makes you someone we treasure and your positive impact is way beyond measure.

Please accept our thanks for the superb things you do. WakeMed accomplishes much more, thanks to volunteers like you!

Comments from Luncheon Attendees

"Thanks so much for the luncheon it was great gets better every year God Bless you all."
Barbara Harrington

"Bill and I want to extend our thanks to you and all those who made the luncheon and gift possible. It was very enjoyable."
Bill and Pam Ayars

"Ladies, I wanted to take a minute to thank all of you for last week's wonderful Volunteer Luncheon. As always you did a fantastic job with everything from the beautiful dining room, to the delicious food, to the inspiring program and the very useful duffel bag gift. Thank YOU for everything that you do for the volunteers. WE are Wake-Med!" Luci Lamert

"Thank you for a wonderful luncheon last week. It was the first time I was able to attend the luncheon since I started volunteering 4 years ago. The food was delicious, and the speakers were great. I really enjoy volunteering in the Ronald McDonald Room at WakeMed. Every single staff member I have encountered in 4 years has been so kind, compassionate, and grateful for the volunteers. Thank you for all YOU, and your staff, do!" Terry Baker

"Thanks for yet another great luncheon. I REALLY like the tote bag. I am sending this email from the crawl space under my house fixing a plumbing issue. The bag holds the dozen or so tools I need for the job perfectly! I have been using an old cardboard box in the past. This is definitely much better. Hoping to soon be leak free." Tim Sullivan

"I want to say thank you for my bag. It serves me great for my over night shifts at Raleigh Wake. I really love it." Chaplain Evelyn Hahn

Hospitality Pets Month is May A Special Thanks!

In May we recognize and celebrate our four legged friends and their human companions who participate in our Hospitality Pets Program. This past fiscal year 27 pet teams made 4,711 patient visits during the past year! Thank you for all you do to brighten the lives of our patients, families and staff.

The Hospitality Pets Program is a beneficial volunteer program that provides many quality outcomes for our patients and their families. Patients, families, staff, physicians and visitors alike support and praise the efforts of these champions. Just by sharing their warm and fuzzy interaction skills the dogs can provide many emotional and physical benefits.

In Memory of Our Volunteers

Georgetta Paskoff passed away on April 16, 2018. She is known for her creativity and attention to detail in creating many blankets, hats, lap robes, etc. for the WakeMed Raleigh Campus. Since 2011, she has contributed over 3,200 hours. She will be greatly missed.

Josiah Whitehead passed away on April 20, 2018. He volunteered in the Pharmacy Department at the WakeMed Raleigh Campus and since 1999 has volunteered over 4,300 hours. He will be missed by all.

We express our deepest sympathy to Brenda Yarbrough, the loving owner of Teddy Yarbrough who departed this life on June 10, 2018. The adorable chocolate Toy Poodle began his service at both WakeMed Cary and WakeMed Raleigh in 2004. He truly amazed us with his talents that he shared not only with WakeMed Health & Hospitals, but with other facilities around the surrounding areas. Teddy made over 1000 loving visits where he left his mark. We will miss Teddy greatly as he will always be in our hearts.

If you would like for us to add your special remembrance, anniversary, births, etc., please call your Volunteer Services department.

Congratulations to Linwood Felts for Unsurpassed Service

"I am an employee at WakeMed North. I work 7 am to 3:30 pm Monday - Friday.

I can't help but notice what a dedicated person Linwood Felts is as a volunteer at our facility.

He is usually in Day Surgery when I arrive at around 6:15 am on Thursdays. He is helping with wheelchairs if needed, or just making people feel comfortable, both patients and families. He also floats through the area I am in Imaging Services and makes / helps patients if there are any needs or just having conversations which again makes people feel more comfortable.

I think Linwood is a GREAT asset as a volunteer to us at WakeMed North and I very much appreciate him donating his time to us as a volunteer."

Ella Howell
