Updates from the Director

Greetings WakeMed Volunteers!

We hope this newsletter finds you well and enjoying the new year!

WakeMed has been actively involved in improving the health of our community throughout the year. Our Community Population Health program provided flu vaccines to homeless and under served individuals as a part of the ongoing Homeless Grand Rounds Series. These vaccines are particularly important as those in these situations are at an increased risk of exposure, more likely to see serious consequences if untreated, and more likely to seek treatment through the emergency department. Around 150 individuals took advantage of the opportunity to receive the vaccine at the winter health lecture likely helping to avoid additional flu cases, numerous emergency room visits, and possibly saving a life! Please encourage those around you to also receive their vaccination if they have not done so already!

We are very excited about all of the wonderful outcomes of your service over this past year as reflected in the 2018 Annual Volunteer Services Impact Report in this publication. We are so grateful to be a part of such a compassionate group of people dedicated to enhancing the patient and family experience at WakeMed Health & Hospitals.

Thank you for giving your time, talents, and service with us and being a part of the WakeMed team!

Sincerely,
Chris Perry, MBA, Volunteer Services

The President's Report

Greetings
Volunteers!

I trust you've all had special time with family and/or friends during November and December, enjoying whatever traditions or holidays you celebrate.

As we bid the season of giving "goodbye," we can't forget the gifts you give all year long. You give back to our departments through the act of volunteering and supporting programs and service through the funds raised by the volunteer organizations. Through sharing of your time and talents, regardless of where you serve, you have had positive impacts and outcomes for our patients, families and staff. Thank you!

The board has accomplished many items on our agenda this year. We have been busy considering where we need change, strengthening, and how we can better serve you, the volunteers. The various committees are working on each of their areas, discussing how better to represent the hospital and serve the community.

The Raleigh and Cary Boards have been meeting twice a year, getting to know each other better, and our executive committees meet monthly. Working together, sharing and planning for the future has strengthened and unified us, both serving the same purpose, because . . . "WE ARE WAKEMED!!!"

I am excited to serve as your president again in 2019, and look forward to a New Year full of promise! Please don't hesitate to get in touch if you would be interested in serving on our board.

Respectfully Yours,
Rosemary Driver, President
Raleigh Volunteer Board of Directors

Happy New Year !!!

I hope everyone had a great Holiday Season. The Cary Volunteer Board is looking forward to a very productive New Year !

Cary Volunteers are welcome to visit one of our meetings and become more involved with the service and fundraising projects we sponsor. Our meetings are held the 4th Wednesday of the month from 10-12 am. Please let the Volunteer Office know before the meetings if you would like to attend.

Our Threads Committee (formerly Huggables) has been working to provide Huggables, lap robes and other items of comfort to each department at the Cary Hospital. Many thanks to all the Community Sewers who make the wonderful items that make our patients smile. The Threads Committee would love to have help with distribution of items (this can be done before or after your regular Volunteer Shift). Our sewers love to have contact with Volunteers. If you would be interested in spending a small amount of time with a sewing group, please contact Laura or Zee in the Volunteer office.

Thank you for all you do for our WakeMed Cary Community.

The gift of your time is indeed priceless.

WE ARE WakeMed!!!

Respectfully Submitted
Susan Alvey, President
Cary Volunteer Board of Directors

Huggables/Hats/Quilts

Our sewing volunteers contributed 69,642 hours to complete baby hats, huggables, and many other handmade items. Our volunteers and friends in the community have contributed many hours of love and care to knit, crochet, sew, quilt and stuff this year.

Total Funds Raised By The Volunteers in 2018

\$92,684

The Volunteers raised funds through vendor sales, online uniform sales, Blossoms for Life (honors/memorizes a loved one at Cary Hospital), WakeMed Gives (employee giving campaign) and infant photo contracts. The Volunteers used these dollars to support programs and initiatives for patients, families, WakeMed departments and employees. This past year, the Volunteers contributed \$69,801. As members of the WakeMed family, the work of the Volunteers is helping us achieve both our mission and vision for the community in several ways.

Preferred Partner

Blossoms for Life – A special fundraising program developed by The Volunteers at WakeMed Cary Hospital to raise funds for programs and services throughout the hospital. The fundraiser offers individuals the opportunity to honor or memorialize a friend or family member. It is a unique way to say thank you for care received, remember a loved one and celebrate a special life event.

Reach Out and Read – The Volunteers at WakeMed Raleigh Campus provided funds for the purchase of new books to be distributed to well-visit patients ages 6 months to 5 years who are seen in the WakeMed Physician Practices Pediatric Clinic. This national literacy program has been the recipient of grants from National Reach Out & Read based upon community support and distribution of books.

Healthy Community

Cardiac Rehab Scholarships – The Volunteers at WakeMed Raleigh Campus provided scholarship funds for patients in need who would benefit from WakeMed Cardiac Rehab. The WakeMed Healthworks staff identifies individuals who qualify for financial support and who otherwise would not be able to complete a key part of recovery from a cardiac episode. The classes include education about nutrition and exercise, participating in exercise classes and more.

Rainbow Fund – The Volunteers at WakeMed Cary Hospital provided funds to provide medications to immediate-need children and adults who were not in a position to pay for their initial prescriptions.

Innovation

Baby Packet Supplies – The Volunteers at WakeMed Raleigh Campus provided funding for the purchase of onesies, diapers, bottles, blankets, etc. so that the Case Managers on 4B can give immediate needs new moms some newborn gifts/supplies at discharge.

Extraordinary Team

Tea for the Soul – The Volunteers at WakeMed Cary Hospital provide funding for Spiritual Care Services to offer refreshments in quiet, calming locations for all caregivers to take a break.

Highest Ethics

Parents Time Together – Parents Time Together is an opportunity for parents who have babies in the neonatal intensive care unit to support each other through sharing common experiences. The Volunteers at WakeMed Raleigh Campus provided funds so that parents can also enjoy meals together during their meetings.

Huggables/Memory Quilts/Hats – The Volunteers provide funds to sewing groups so they can purchase the supplies needed to create the huggables, lap robes, stuffed animals, shawls, pillows, bed bags, toys, dolls, adult bibs, hats, preemie booties, preemie caps, baby gowns, bereavement blankets and more for patients and families. These gifts are distributed via the Friendly Face Cart, Volunteers and by staff to patients.

Financial Health

WakeMed Foundation – The Volunteers at WakeMed Cary Campus contributed funds for the Pet Therapy and Education funds. The Volunteers at WakeMed Raleigh Campus contributed funds for the Pet Therapy and Community Population Health Scholarships.

Both of us count it a privilege to have served Cary and Raleigh as President of each Volunteer Board during the past year. Serving on the board gives us an in-depth insight into the accomplishments of each of you who volunteer, devoting your time to WakeMed and helping to make it the great

health system that it is! The comments received from those who come through our doors are proof of your dedication and enthusiasm, and we are extremely grateful to each one of you.

Just a few figures in the Annual Report above are truly astounding: 1,376 of you put in 134,492 hours and you helped to raise funds equaling \$92,684! Those are heartwarming statistics of willing volunteers, who put others above themselves.

Thank you for your service. Let's see if we can top those numbers in the coming year! We both look forward to serving you again in 2019.

Trunk or Treat, A Scary Hospital Family Event We DID it!

The Cary Volunteer Board hosted our 1st Trunk or Treat that was held in the parking lot at WakeMed Cary Hospital on October 30th from 6-7:30pm.

Our main goal was to provide a safe Halloween trick or treating experience for children with the help of the Cary Police Department. The weather was perfect for the event.

We had 11 different departments displaying their creativity by decorating their cars and dressing up in costumes. The Imaging Nurses Department won "best decorated" trunk.

Since this was our first attempt at this type of event, only staff and volunteers were invited. With the success of this event, next year we plan to invite the local Cary community. So save the date of October 29, 2019.

Special thanks to the Cary Volunteer Board, the Junior Volunteers, our dog volunteers and all who participated to make this such a success.

See you next year.

In Memory of Our Volunteers

Geraldine Werner - "Gerry" as she was fondly known was a volunteer on the 3W Medical Surgical Patient Care Area from June 2010 until October 2017. She contributed over 750 hours to WakeMed during her time volunteering at the Cary Hospital.

Congratulations to:

Rosemary & Sherman Driver who will be celebrating 50 years of wedded bliss on February 18.

Ann Brown on achieving the Certified Patient Experience Professional Certification from the Patient Experience Institute. At the PEI, we remain committed to serve as a resource for healthcare organizations. At the PEI, we see patient experience as "the sum of all interactions, shaped by an organization's culture that influences patient perceptions across the continuum of care".

Volunteer Spotlight

Raleigh Campus Sharon Lies

My name is Sharon Lies and I am a Guest Ambassador at WakeMed Raleigh Campus. I've been an ambassador for over 3 years and I love what I do, because I'm a people person. It's so great to be a helping hand to people that come into the hospital to see a love one at their most vulnerable state.

Sometimes the hospital gets overwhelming in size; so if I can show someone around and take that anxiety off their shoulders; what a great feeling for me. Helping people is a great feeling for them but a lot more for me.

The ambassadors I work with are now my family. We get along so well and look forward to seeing each other every week. We have a great connection and we have fun also.

WakeMed plans an annual luncheon for us and really appreciate what we do. I can't imagine what they would do without us.

If you are a person who likes to lend a helping hand and get more out of it yourself - this is the opportunity for you! Come join us today, you won't be disappointed.

Cary Hospital Karen Nolan

My experience at WakeMed has been great! I have met so many passionate people and have had so many unique experiences. Everyone has been very helpful and encouraging during my learning process. The staff at Volunteer Services is very open and willing to listen to my concerns or suggestions, and has made my experience working here even better. I also feel like I have had a positive impact on the community through my work here. By volunteering to work with the Friendly Face Cart, I have brought many patients, who are going through tough times, a little bit of support. Talking to the patients and seeing their faces light up when they receive the amazing blankets, shawls, and pillows we bring them makes me feel great as well.

One other thing I loved about volunteering with the Friendly Face Cart was the learning experience. I am interested in pursuing a career involving health care, and being able to work in a hospital exposes me to how they function and the rules you need to know to work in one!

Overall, my experience working here has been very informative and interesting! To any person interested in entering the medical field who wants to learn about the setting where they would be working, I would suggest working with Volunteer Services at WakeMed!

Holiday Donations & Toy Drive

Each year, the community rallies in support of the pediatric patients here at WakeMed Children's Hospital by donating gifts and toys to share with children in the hospital during the holidays. Our Annual Children's Toy Drive held on December 7th, 15th and 22nd were great successes! We'd like to thank all the individuals and companies who donated toys to our toy drive.
