

# 2009 Society of 1961 Levels & Benefits

Established in 1995 and named in honor of WakeMed's founding year, the Society of 1961 recognizes our community partners who support the WakeMed Foundation through an annual contribution. Since its inception, the Foundation has contributed more than \$20 million to support a wide variety of capital and special projects that will ensure that WakeMed can continue to provide the highest quality health care services, regardless of a person's ability to pay.
