

MICROSCOPE

Exceptional People. Exceptional Care.

SPECIAL EDITION
FEBRUARY 2023

50
YEARS OF SERVICE

FRANCES TEASLEY
Pathology Labs – Raleigh Campus

CONGRATULATIONS TO OUR
WAKEMED SERVICE AWARD
RECIPIENTS WHO REACHED A
MILESTONE YEAR IN 2022!

OUR EXCEPTIONAL EMPLOYEES
MAKE US WHO WE ARE AS AN
ORGANIZATION. WE COULDN'T DO
WHAT WE DO WITHOUT YOU.

MICROSCOPE

Microscope is a monthly newsletter written by and for the employees of WakeMed. Our goal is to provide employees and friends of WakeMed with the most up-to-date news on all of the hospital system's activities. The Marketing & Communications department thanks all of the employees who contributed to this publication.

We welcome comments and suggestions on this publication and its content. Call (919) 350-8120, e-mail microscope@wakemed.org, or write Microscope, WakeMed Marketing & Communications, 3000 New Bern Avenue, Raleigh, NC 27610.

ADDRESS SERVICE REQUESTED

Congratulations

2022 WAKEMED SERVICE AWARD RECIPIENTS!

Some unit names have been abbreviated due to space limitations. The full unit names are: CVIC – Cardiovascular Intermediate Care; CVSIC – Cardiovascular Surgery Intermediate Care; MIC – Medical Intermediate Care

WHAT'S HAPPENING AT WakeMed

First Annual Quality Showcase A Success!

On January 19, staff from across the organization gathered at Raleigh Campus to celebrate the outstanding quality work happening across our system for the benefit of our patients and families (photos above). The event began with keynote remarks by Blan Godfrey, PhD, a world-renowned quality expert and former member of the WakeMed Board of Directors. Thank you to everyone who helped make the inaugural WakeMed Quality Showcase such a success – especially our wonderful presenters! Congratulations to the award winners, who were voted on by attendees:

- **Most Innovative:** ERAS – Roadmap to Success (**Gina McConnell**, RN, and **Katrina Sents**, BSN, RN)
- **Most Impactful:** Turning Hope into Action – TeleHeartCare (**Christina Bull**, NP, and **Erica Cook**, CNS)
- **Best Collaboration of Multidisciplinary Teams:** Alcohol Withdrawal Clinical Excellence Bundle Improves Outcomes by Integrating Evidence-Based Care (**Scotta Orr**, RN, and **Dina Hood**, RN)

Don't Forget Your Biometric Screening!

Biometric Screenings are ongoing through March 13

Staff can schedule or reschedule appointments in WakeMed MyChart until March 13.

- Know the time and location of your screening and bring your ID badge.
- Allow approximately 20 minutes, start to finish.
- The screening includes height, weight, waist circumference, blood pressure and a basic lipid panel (cholesterol) with blood glucose.
- Employees may bring current blood work results to the screening (to qualify, it must have been conducted after January 1, 2023, and must include full lipid panel and a total glucose).
- The cholesterol screening requires fasting for a minimum of eight hours unless prohibited for medical reasons.
- Pregnant or nursing employees should attend the biometric screening, but will not have bloodwork done (no fasting required).
- Screening results will be posted to WakeMed MyChart, usually within 72 hours. Blood work results (lipid panel and glucose) will be under “View Test Results” and measurements (height, weight and BMI) can be found in “Letters”.
- Remember, you must meet a certain level on each standard to receive the reward. If you do not meet the standards, you can complete an alternate standard requirement to make up points. More details about alternate standards will be shared next month. Questions? Contact Bob Nelson, ext. 06903.

Employee Forums

Join Donald Gintzig – in person or virtually – for an informal conversation to learn how we're doing and what's ahead for WakeMed.

Deadline Approaching

Megan Champ Morgan Scholarship Fund

The Megan Champ Morgan Scholarship Fund provides scholarships of up to \$10,000 for employee dependents seeking to complete a post-secondary education at an accredited not-for-profit institution of higher learning who intend on enrolling in one of the following areas: Health Sciences, Elementary or Secondary Education, Computer Sciences or Information Technology. The deadline for applications is March 15. For more information and a link to the application, visit the WakeMed Foundation page on MyWakeMed.
