- **CON Filing:** Monday, August 15
- **Ask:** 100 mental health beds
- **Purpose:** Build a 150-bed mental health hospital (WakeMed previously received State approval to build 50 mental health beds)
- **Location:** TBD – Likely in eastern Wake County
- **Projected Groundbreaking:** By fall 2024
- **Anticipated Opening:** FY 2027
- **Name of Hospital:** TBD
- **Estimated Cost:** \$142 million
- **Size:** 163,833 sq. ft., 3 floors
- **Bed Detail (Total Beds: 150)**
  - *30-bed adolescent unit* -- <18 years of age, this program will address the individual psychiatric, behavioral, development and cognitive issues of participants.
  - *30-bed dual diagnosis unit* – Ages 18+, will help support patients on their journey to sobriety by helping them address underlying mental health issues, develop coping skills to manage daily stressors and identify ongoing support networks to help sustain recovery.
  - *30-bed young adult unit* – Ages 18-26, providing the support that allows participants to develop the skills and confidence to navigate life as they transition away from home, enter college, step into the workforce and seek independence.
  - *30-bed adult unit* – Ages 18+ who need stabilization, crisis support or round-the-clock care for emotional or psychiatric conditions. Treatment will focus on helping patients develop necessary coping skills to deal with their unique issues and provide support and treatment to allow them to achieve a higher level of functioning.
  - *30-bed geriatric unit* – Ages 65+ who experience symptoms including memory loss, mood disturbances, anxiety, difficulty coping with losses and transitions, or behavioral issues that negatively impact life satisfaction and care at home or in a long-term care setting.
- **Outpatient Services**

Complement existing WakeMed Behavioral Health Network programs

  - Outpatient Crisis Stabilization
  - Outpatient Mobile Crisis Service
  - Outpatient Interventional Service
- **Estimated Staff:** 225-260
- **Security:** 24/7
