

**CDS Request Title:**

**Submission Date:**

**What should trigger the CDS?** Examples below but other options exist.

- |   |  |  |
|---|--|--|
| <input type="checkbox"/> Open Orders      | <input type="checkbox"/> Signing Orders          | <input type="checkbox"/> Medication Administration |
| <input type="checkbox"/> Entering Problem | <input type="checkbox"/> Entering Diagnosis      | <input type="checkbox"/> Entering Allergy          |
| <input type="checkbox"/> Filing Flowsheet | <input type="checkbox"/> Pharmacist Verification | <input type="checkbox"/> Opening Chart             |
| <input type="checkbox"/> Open workspace   |  |  |

**How should the CDS be viewed by end users?**

**INTERRUPTIVE**    ☐ Pop up/BPA

*\*Must be actionable  
\*Interrupts workflow and  
may contribute to alert  
fatigue/patient safety events*

**PASSIVE**    ☐ Banner  
                  ☐ BPA navigator section  
                  ☐ FYI Flag

*Ideal for FYI/Informational  
CDS*

**INVISIBLE**    ☐ Run silently to do something behind the  
                          scenes

*Example: Send InBasket  
Message*

**What should be displayed to end users?**

**CDS Display Text:**

**Available Actions:** Actions are required for interruptive BPAs given they will generate data to help us evaluate the effectiveness of the alert.

<input type="checkbox"/> Document on Flowsheet Which flowsheet row(s)?	<input type="checkbox"/> Suggest Order(s) to place Which order(s)? <input type="checkbox"/> Suggest to Remove Order that triggered BPA
<input type="checkbox"/> Add Care Plan to Patient Which one(s)?	<input type="checkbox"/> Suggest Order Set/SmartSet Which one(s)?
<input type="checkbox"/> Add Health Maintenance Modifier Which one?	<input type="checkbox"/> Open an Activity Which one(s)?
<input type="checkbox"/> Add Task to Worklist Which one(s)?	<input type="checkbox"/> Trigger ED Event Which one(s)?
<input type="checkbox"/> Add Education to Patient Instructions Which one(s)?	<input type="checkbox"/> Send In Basket Message What type?
<input type="checkbox"/> Add a Problem to Patient's Problem List Which one(s)?	<input type="checkbox"/> Add Allergy or Contraindication Which one?
<input type="checkbox"/> Add FYI Flag to Patient Which one(s)?	<input type="checkbox"/> Other (some limited abilities; specify below)

**Acknowledge Reason(s)/Buttons(s)** – Specify what each should say and what it should do?  
*These buttons will allow us to collect data on the effectiveness of the CDS tool.*

Button Caption	Prevent firing again for how long?	Apply to which users?	Apply to which encounter?	Require comment?
		<input type="checkbox"/> Current user <input type="checkbox"/> All users	<input type="checkbox"/> Current encounter <input type="checkbox"/> All encounters	<input type="checkbox"/> Yes <input type="checkbox"/> No
		<input type="checkbox"/> Current user <input type="checkbox"/> All users	<input type="checkbox"/> Current encounter <input type="checkbox"/> All encounters	<input type="checkbox"/> Yes <input type="checkbox"/> No
		<input type="checkbox"/> Current user <input type="checkbox"/> All users	<input type="checkbox"/> Current encounter <input type="checkbox"/> All encounters	<input type="checkbox"/> Yes <input type="checkbox"/> No
		<input type="checkbox"/> Current user <input type="checkbox"/> All users	<input type="checkbox"/> Current encounter <input type="checkbox"/> All encounters	<input type="checkbox"/> Yes <input type="checkbox"/> No

**Should selecting an acknowledge reason be required?**

☐ No

☐ Yes – Rationale:

**How frequently do you expect this alert to fire?**

**Additional Notes/Details:**
