

WakeMed Children's ***HOLIDAY DRIVE***

As we approach the holidays, the generous spirit of our community shines brightly in support of WakeMed Children's. From monetary donations to gifts of toys and books for children hospitalized during the holidays, your contributions ensure patients and families have the resources and services available that promote wellness, comfort and healing.

HOW CAN YOU HELP?

Financial Support

Each year, the WakeMed Foundation identifies opportunities for enhanced services and growth that will directly impact patients and families. By making a financial gift, you can rest assured that 100 percent of your donation will go directly to help fund these initiatives.

Gifts of Toys/Books

By donating a new toy or book, you will help brighten the day of a patient at WakeMed Children's. Gifts of toys and books are used throughout the year in pediatric clinical areas to provide entertainment, relaxation, and most importantly, provide a brief distraction that allows a child to be a child.
