

Exceptional People. Exceptional Care.

MICROSCOPE

Congratulations

SPECIAL EDITION
FEBRUARY 2024

to our WakeMed Service Award recipients who reached a milestone year in 2023!

Our exceptional employees make us who we are as an organization. We couldn't do what we do without you.

WHAT'S HAPPENING AT WakeMed

Quality Improvement Takes Center Stage at Quality Showcase

On January 19, staff, leaders and members of the WakeMed Board of Directors gathered at Raleigh Campus for the second annual Quality Showcase. The event is intended to celebrate the outstanding quality work happening across our system for the benefit of our patients and families.

Attendees had an opportunity to learn about 29 quality improvement projects that covered a wide range of topics and specialty areas. Thank you to everyone who helped make this event such a success – especially our wonderful presenters!

Congratulations to the award winners, who were voted on by attendees:

- > **Most Innovative:** Championing Patient Rights: Reducing IVCs
- > **Most Impactful:** Reducing the Timing of Medications to Patients During Postpartum Hemorrhage Events
- > **Best Collaboration of Multidisciplinary Teams:** Collaboration Leads to Higher Expectations: Moving the Mortality Needle

Coming Soon: WakeMed North Raleigh Surgery Center

In January, WakeMed leaders and staff celebrated the newest addition to our surgical services offerings with a ceremonial ribbon cutting at the WakeMed North Raleigh Surgery Center, located in the Physicians Office Pavilion at North Hospital. The new, state-of-the-art ambulatory surgery center will open to patients later this spring.

The 18,300 square-foot facility features one operating room and three procedure rooms, along with a comfortable waiting room and spacious pre- and post-op areas that provide space for loved ones to be at the bedside. The multidisciplinary surgery center will complement the services available at North Hospital, accommodating a wide range of surgical specialties.
