Department) obtained her Certified Benita Smith

Residency Program took shape when he saw that always been receptive ears at WakeMed,” said Ray Champ and continues with Wes and to the Public Relations department or e-mail

Microscopes • A Special Occasion

A program to help individuals have experienced bariatric surgery is led by a registered dietician. This monthly support group for people who have experienced weight loss surgery will meet on the first Wednesday of each month. The group is led by Dr. William O’Brien, a WakeMed surgeon who has performed thousands of bariatric operations. This is a great opportunity for people who have had weight loss surgery to continue to learn about healthy eating and ways to maintain their new lifestyle. This program is free. For more information, call 919-350-0953.

Microscope’s Barn Party is Thursday, May 27, from 6:30 to 9:30 pm and Friday, May 28, from 11:00 am to 2:30 pm in the First Floor Conference Room at the McKimmon Conference Center. For reservations, call 919-716-7420.

The WakeMed Pediatrics program in Raleigh, NC is a LEED Certified building. Take a tour of this facility, designed to be more environmentally friendly and provide a healthier place for children to receive care.

For the precepting program, Wake Med has precepted students from the University of North Carolina-Chapel Hill College of Pharmacy and the Campbell University College of Pharmacy and Allied Health Sciences. In addition to their new Advanced Pharmacy Practice Experience, WakeMed preceptors are engaged in helping students about their clinical experiences and their future careers. "The preceptors are a vital part of the students’ education," said WakeMed’s Director of Pharmacy Operations, Dr. Amy Eschenbacher. "We are proud of our entire team for the work they put into helping students," added Eschenbacher. "We appreciate for their WakeMed preceptors."

Two WakeMed Employees Receive TRJ 40 Under 40 Award

The Arts Initiative, sponsored by the Carolina Center for the Arts and the Arts Council of Wake County, sponsored the award. The 40 Under 40 award is given each year to 40 under 40 artists who are making a significant impact on the art world. The award is given to artists who are under 40 years old, and who have been working in the art world for at least five years. The award is given to artists who have made a significant impact on the art world, and who have been working in the art world for at least five years. The award is given to artists who have made a significant impact on the art world, and who have been working in the art world for at least five years.
